

The ArtCubes are coming to Foster!

They'll be here October 28<sup>th</sup> – January 20<sup>th</sup> hosted by [Manna Gum Community House](#) and we want to hear from you South Gippy creatives.

The cubes are to be located at Manna Gum, two out the front on Station St and one in the rear, in the Manna Community Garden.

Your project might be specific to either of these locations or possibly spill out of them into the surrounds.

Here at [Manna Gum](#) we want to amplify our role as a vibrant gathering space by offering a festival of events in conjunction with the art projects in the cubes. We're looking for your help to programme three months of dynamic, Creative, Community and Caring focused events in the [ArtCubes](#).

Dream big people and share your ideas and projects with us and let's make it happen.
